

Walking to school can be an adventure, especially if you know the rules of the road and follow your Safe Routes Map.

1 Color the house green.

2 Color the school blue.

3 Color the stop signs red.

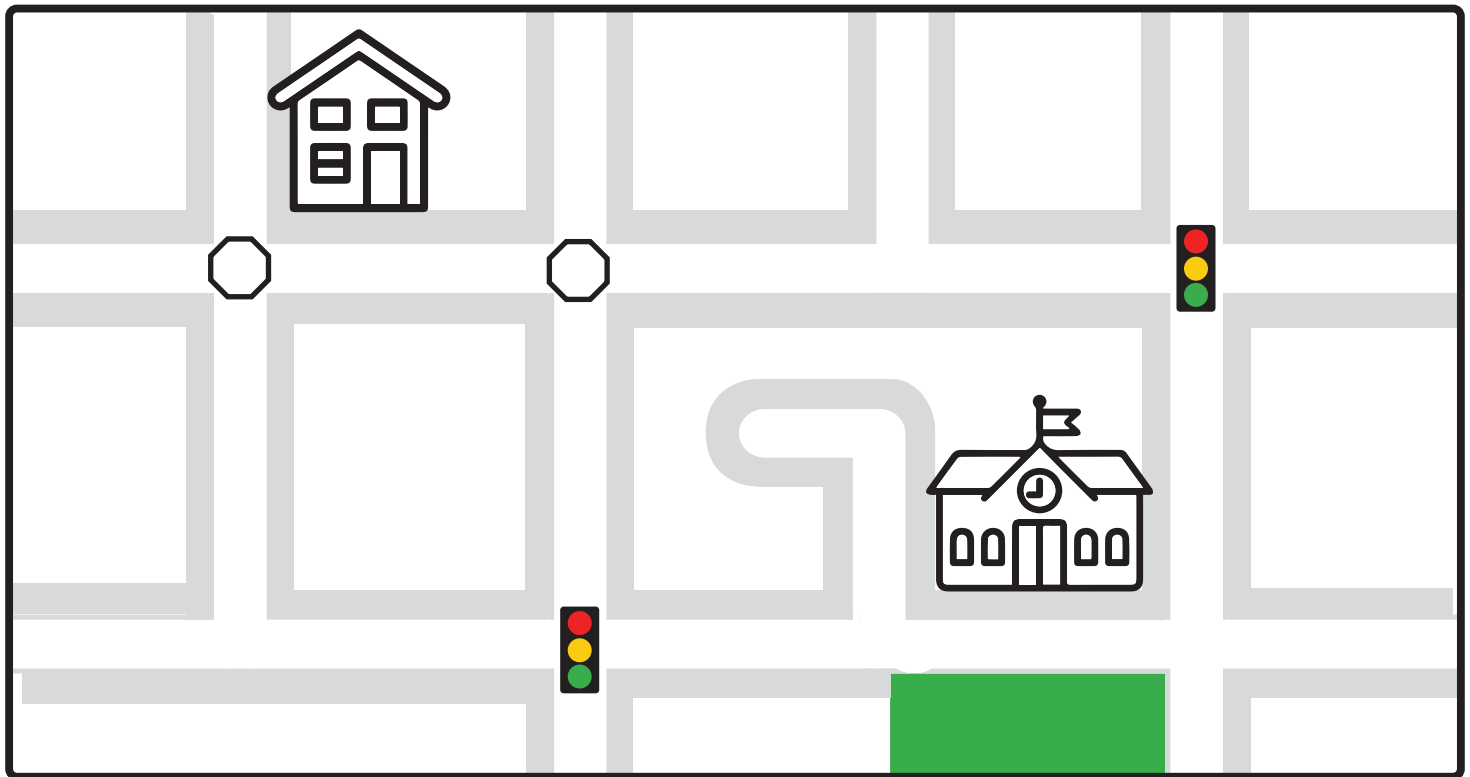

4 Circle all of the traffic lights where you need to wait to cross until you see a pedestrian crossing signal.

5 Draw crosswalks to help you safely cross the street to get to school.

6 Draw a line showing the safest path to school using the crosswalks.

How many street safety words can you find?
